What is an iDay?

For all students, in all of Austria

Challenge yourself and learn:

Pitch coaching and product development training

Work in multidisciplinary teams

Tackle real life healthcare challenge

Citizen and patient engagement to inform ideas

Networking opportunities, meet experts, start-up founders and EIT Health partners and hear inspirational stories

Receive EIT Health certificate

Join the EIT Health Alumni for more opportunities

Event across Europe

Health

iDays Austria 2022

Camp Graz

Co-funded by the
European Union

This year's EIT Health iDays Austria challenge is to

“substantially save lives and reduce the number of illnesses from hazardous chemicals and air, water and soil pollution and contamination”, by 2030,

through
Green Tech and Photonics
innovation and product concepts.

NEWS | 07 August 2020 | Correction [07 August 2020](#)

Why deforestation and extinctions make pandemics more likely

EPA to designate 'forever chemicals' as hazardous substances

The Environmental Protection Agency says it's designating two “forever chemicals” used in cookware, carpets and firefighting foams as hazardous substances

GREEN NEWS

Rainwater everywhere on Earth unsafe to drink due to 'forever chemicals', study finds

Your GreenTech Idea and iDays Austria 2022 Path

Your
GreenTech idea

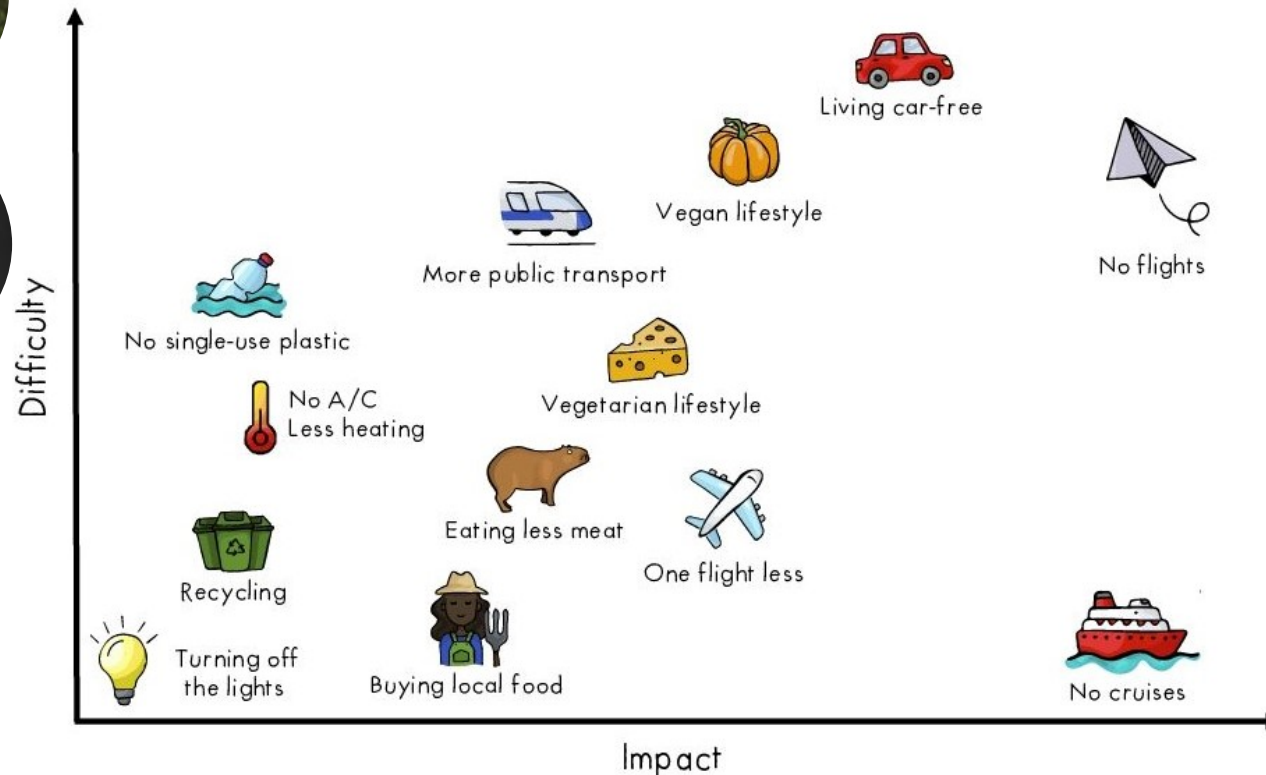

Your mentors:

Thomas Brudermann

Daniel Pressl

Difficulty and impact of climate-friendly decisions

Your GreenTech Idea and iDays Austria 2022 Path

heterogeneous teams from different areas (of expertise) to capture the widest possible range of knowledge and ideas

Students from all of Austria are invited to join!

Your GreenTech Idea and iDays Austria 2022 Path

Your mentors:

Natalie Egretau
Lorenz Neuhäuser
Stefanie Nagler
Sonja Polan

**Boehringer
Ingelheim**

austria wirtschaftsservice

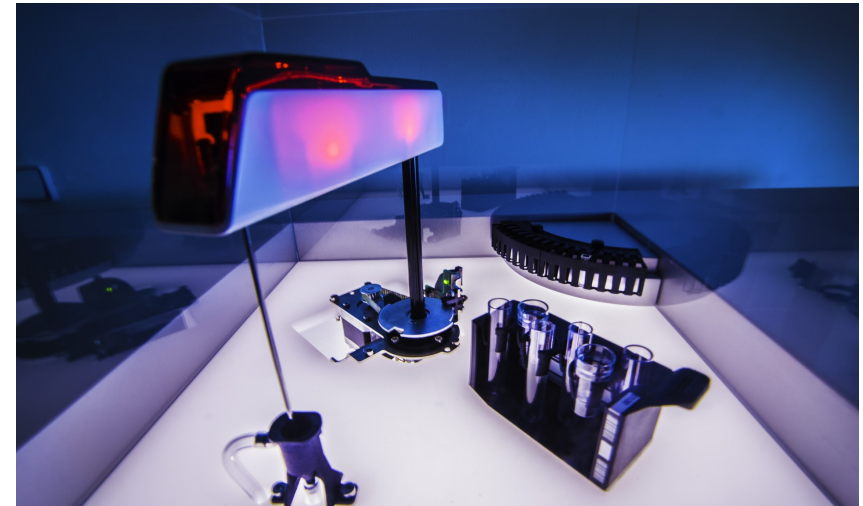

Market and customer analysis to analyze potential competitors, experts interviewed and failed business models for initial ideas and opinions examined
